

Gem City Plastic Machinery, Inc.

Product Lines

INJECTION MOLDING

Absolute Haitian Corporation

Injection Molding Machinery – 45 to 6,600 tons clamp

Fully Electric, 2-Platen, Multi-Color/Multi-Component, Fully Automated Manufacturing Cells, Multitech Vertical Clamp – Shuttle/Rotary Machines

Absolute Robot, Inc.

Servo Robots, Sprue Pickers, Pedestal Robots, Automated Cells

BLOW MOLDING

Davis-Standard

Blow Molding Systems – STERLING • FHB • HARTIG

Accumulator Head & Shuttle Blow Molding Machines, 3 to 100 pound head capacity

MATERIAL HANDLING

Maguire Products, Inc.

Factory-Authorized Representatives

Gravimetric Blenders, Color Feeders, Liquid Pumps, Low Pressure Dryers, Clear-Vu Vacuum Loading Systems, Purge Recovery Systems, Gaylord Sweepers

Comet Plastic Equipment

Hopper Loaders and Receivers, Central Vacuum Conveying Systems, Regrind Proportioning Valves, Honeycomb Dryers, Compressed Air Dryers, Vision Systems

Cumberland

Beside-the-Press Granulators, Central, Thermoforming, and Screenless Granulators, Shredders, Recycling Equipment

TEMPERATURE CONTROL

Mokon

Circulating Fluid Media Temperature Control Systems

Circulating Water/Hot Oil Temperature Control Systems, Portable and Central Chillers, Cooling Towers, Negative Pressure Systems

Process Cooling Systems, Inc.

Turn-key Process and Chilled Water Systems

Plant Process Water Systems, Cooling Towers, Central Chillers, Pump Tanks, Filtration Systems and Plant Piping Installation
